Please explain why a scholarship will be necessary to help your student attend camp?

It is Brookwood Family Ministry's policy to do everything we can to provide opportunities for your children/students to experience God, grow in their relationship with Him and other believers and to live their lives based on the word of God. We believe our events provide opportunities to do those things and we want our children/students to have the opportunity to attend our events. However, funds are limited so we strive to be good stewards of and make the best use of any resources available. Therefore, scholarships are not guaranteed and can vary depending on the individual and the time we receive the application. We will contact you to let you know if we are able to provide a scholarship for your child/student for this event.
