Ruth 2

1. How did Boaz show kindness to Ruth?
2. How have other people shown similar kindness to you?
3. How has God shown kindness to you and your family?

LIVE IT

Ruth and Naomi were in a tough situation. They just moved back into a town with Naomi's people and had to find food to eat. Ruth demonstrated that she was a hard worker. She collected food, prepared it and took it home, all without complaining. Little did she know God was working to provide for her and Naomi in ways they weren't expecting.

God is so good to us. Sometimes what He does for us is obvious—a loved one heals, a challenging situation changes, or the money desperately needed comes out of nowhere. God provided for Naomi by giving her a wonderful friend in Ruth. He provided for Ruth and Naomi through Boaz. We can't begin to imagine all the amazing things God is giving us and doing in our lives. You can place your hope in God because He's working even when you can't see it.

LEAN ON GOD

Dear God,

Thank You for all Your good gifts. Help me trust You, even when it seems You're not there. Reveal the ways You've provided for me, so I continually find my hope in You.

Amen.
