

Family Talk – *Recognizing Jesus*

READ TOGETHER

Luke 24:13–36

1. Why did Jesus spend time walking and talking with His two followers on the road to Emmaus?
2. His followers said that Jesus explaining the Scriptures to them caused their hearts to burn. What does this mean?
3. What's it like when you spend time in the presence of God?

LIVE IT

Jesus is alive, but that's something not everyone understands or believes today. Even immediately after His resurrection, many didn't realize that He'd conquered death. Jesus began to appear to some of His followers, including these two on the road to Emmaus. They were deeply saddened, believing that Jesus was still dead. What a wonderful surprise to realize He was alive, and He was with them!

Jesus may not be physically here with us, but the Holy Spirit of God is with us! Are you making room in your daily rhythms to be with God? Just as He spent time with His followers thousands of years ago, He wants to be with us today. What time will you put aside to be with Him this week? How can you further pursue growth in your relationship with Him?

LEAN ON GOD

Dear God,

We celebrate that Your Son Jesus is alive. Help us remember that the tomb is empty at Easter and every day. Grant us a holy awareness of Your Spirit, who guides us into all truth.

In Jesus name,

Amen
