

## Family Talk – A Challenging Question

### READ TOGETHER

---

#### Mark 16:3

- In the Jordan River, Jesus was baptized, then started His ministry.
- On Calvary He gave his life.
- At the tomb He fulfilled His Promise.

Do you believe these things?

### LIVE IT

---

Some of us have received Christ as our Savior. Some of us need to have Christ as our Savior. But all of us need God to roll away a stone for us to see Jesus for who He was, who He is, and who He will be. Can you imagine being part of the group on the way to the tomb that day? Would you have been sad or mad? Disappointed or lost?

Consider these questions about your own life as we celebrate our risen Savior:

- What stone did God roll away so I could believe in Jesus?
- What was the next stone He rolled away so that I could trust Him?
- What was the stone He removed so I could follow Jesus?

### LEAN ON GOD

---

Dear Lord,

Reveal the stones that need to be moved in my life, so I can see the Jesus who You call Your Son – the Savior of the world! Thank you for being stronger than my stubbornness. Please remove the stones.

In Jesus' name, Amen!
