God’s calling us to love Him more by continually building our relationship with Him. In turn, He makes us more available to love others the way He loves us. He expects a lot and sees so much potential in each of us but always offers His forgiveness, grace and peace when we need it.

Let’s build a relationship with our Father, to seek our full potential in Him.

LEAN ON GOD

Father,

We love You and need You. So give us eyes to see what You see, arms to wrap around the places of the world that You send us, and words to draw people to You.

In Jesus’ name,

Amen
