

Family Talk—Provision of God

READ TOGETHER

Psalm 55:22

1. How do you feel knowing God wants to take care of you?
2. What burdens do you need to give to God?

LIVE IT

When Jesus was born, God provided for Him, Mary and Joseph. He helped them find a place to stay, protected them from Herod, and gave Joseph and Mary what they needed to keep Jesus warm and safe. God was good to his Son Jesus, and He's good to us too.

There's lots of fun during Christmas, but lots of stress as well. It can be easy to forget about God because of all the craziness, but we can always count on God to provide what we need. Christmas is a great time to be reminded how God provides for us! Continue seeking relationship with Him, whether it's peaceful, crazy or somewhere in between.

LEAN ON GOD

Dear God,

Thank You for providing for us. We appreciate the things You give us that we can see, but thank You even more for the things we don't even realize You do for us. You know what's best for us even more than we do. You are so awesome!

Amen.
