

Family Talk – The Life of Jesus

READ TOGETHER

[Luke 5:17–26](#)

1. In v.19 the Bible tells us the men tore through the roof so their friend could see Jesus. Is there anyone in your life who you would risk embarrassment in order to help them meet Jesus?
2. Jesus saw their faith and forgave the sins of the man on the mat. If Jesus saw your faith, would He be amazed? Why or why not?

LIVE IT

These men had to tear through a roof in order to get to Jesus. Thank God that we have access to Jesus anytime! However, do we take time to ask Him to be involved in our day-to-day lives?

As a family, pray for a friend who needs Jesus in their life. Pray for God to grow your faith and to show His power in the life of your friend.

LEAN ON GOD

Dear God,

You are amazing. Thank You for taking the time to heal the paralyzed man. You could have gotten frustrated because the men destroyed a roof. Instead, You were amazed by their faith, and You helped their friend.

Help us to have courage to come to You about our friends and their needs. We know that You'll come through. You're amazing and we love You!

Amen.
